

PASTORAL COUNSELLING AND THE COVID PANDEMIC

CHAPTER 1: STATISTICS AND GENERAL OVERVIEW	1
• One in five covid-19 patients diagnosed with a mental illness within three months of testing positive	1
○ Key facts	2
○ Key background	2
○ Crucial quote	2
• COVID-19 survivors who were treated in hospital show higher rate of psychiatric disorders	3
○ Anxiety and insomnia most prevalent	3
○ Findings not unique to current pandemic	3
○ Clinicians to assess Covid-19 survivors	4
• New data on worldwide mental health impact of covid-19	4
○ Youth hardest hit	5
○ Highest risk group	6
○ Creative, generous approach	6
• Deterioration of school children’s mental health	6
○ Mental health issues	7
○ Urging students back	8
○ Short term, long term	10
• Quarantine fatigue is real	10
• Health anxiety common as covid restrictions loosen	11
CHAPTER 2: MOURNING AND THE FIVE STAGES OF GRIEF	13
• Going through the five stages of grief	13
○ Shock and denial	13
○ Anger	15
○ Bargaining	16
○ Depression	17
○ Sadness	19
○ Acceptance	19

○ Finding meaning again	20
● Other possible stages of grief	21
● Common misconceptions about grieving	22
○ <i>'I am doing it wrong'</i>	22
○ <i>'I should be feeling...'</i>	22
○ <i>'This goes first'</i>	22
○ <i>'It's taking too long'</i>	23
○ <i>'I'm depressed'</i>	23
● When to reach out for help	24
● How to help someone who is grieving	24
○ Listen	24
○ Reach out	24
○ Be practical	25
○ Don't assume	25
○ Important aspects concerning sympathising	25
○ Manifestations of normal grief	25
▪ <i>Feelings</i>	26
▪ <i>Physical sensations</i>	26
▪ <i>Thoughts</i>	26
▪ <i>Behaviour</i>	26
○ Manifestations of complicated grief	26
▪ <i>Chronic grief reaction</i>	27
▪ <i>Prolonged grief reaction</i>	27
▪ <i>Exaggerated grief reaction</i>	28
▪ <i>Masked grief reaction</i>	28
▪ <i>Avoidance of memories of the deceased</i>	28
CHAPTER 3: GRIEF AND LOSS DURING THE PANDEMIC	29
● Grieving your loss apart from your loved one	29
● Managing grief apart	30
● Grieving when there's no funeral	30
● Managing death without a funeral	31
● Losses that were not mourned for	32

• Secondary losses	33
• Take care not to interpret the apparent meaning of another person's loss	33
• The loss of a dream	33
• Our involvement	
○ Try to understand why the loss is experienced so intensely	34
○ The absence of a ritual or ceremony	35
○ Balloons	36
○ Planting a tree	36
○ Visit a certain place	36
○ The empty-chair technique	36
○ Journaling	36
○ Create a collage	36
• What is complicated grief?	37
• Traumatic grief reactions	40
• Significant questions during the counselling of the complicated grief process	41
• Healing of complicated grief	43
○ The value of talking	43
○ The value of writing / journaling	45
• God promises to restore my losses	47

CHAPTER 4: GUIDING TEENAGERS THROUGH THE GRIEVING PROCESS **48**

• Some practical guidelines	48
○ Examine the "big picture"	48
○ Give your teenagers space	48
○ Expect a wave of emotions	49
○ Be aware of negative behaviours	49
○ Keep boundaries intact	49
○ Enlist the support of friends, teachers, coaches, and counsellors	50
○ Develop an atmosphere of acceptance	50
○ Help create positive memories	50

• Returning to school	51
○ Prepare your children for questions and remarks	51
○ Contact a favourite teacher	51
○ Contact the school counsellor or social worker	51
○ Inquire whether there is a support group of bereaved children / teenagers	51
• Advice from a teenager who lost his dad	52
• Thirteen meaningful questions for teenagers to answer	52
• Typical grief reactions with children and teens (but not exclusively to them)	52
• Aspects that grieving children / adolescents need to be cognisant of	53
• Risk factors regarding children's / adolescents' adaption after losses	53
• When to refer children / adolescents for therapy	53
• Obstacles on the way to emotional relief	54
• The counselee could be helped through the following guidelines	55
○ First step: Identify what happened and when it happened	55
○ Second step: Identify the truth	55
○ Third step: Share the information with someone whom you trust	56
○ Fourth step: Restructure the past	56
○ Fifth step: Forgiveness	57
▪ Deal with bitterness	58
○ The sixth step: To mourn indeed	59
• Practical and pastoral guidelines	61
○ The importance of open communication between parent and child	61
▪ The importance of listening	62
▪ Begin with the facts	62
▪ Give attentions to the feelings	63
▪ Build a foundation of faith in the child's life	63
• Encouragement	63
• The use of journaling	63
• The element of choice regarding the results of the grieving process	65
• Spiritual and post traumatic growth	65

CHAPTER 5: COPING WITH STRESS	67
• Healthy ways to cope with stress	67
• Helping others cope	68
• That discomfort you're feeling is grief	68
○ People are feeling any number of things right now. Is it right to call some of what they're feeling grief?	69
○ You said we're feeling more than one kind of grief?	69
○ What can individuals do to manage all this grief?	69
○ Are there techniques to deal with the physical pain and the racing mind?	70
○ One particularly troubling aspect of this pandemic is the open-endedness of it	71
○ What do you say to someone who's read all this and is still feeling overwhelmed with grief?	71
○ In an orderly way?	72
CHAPTER 6: UNHEALTHY EATING PATTERNS AND SUICIDAL TENDENCIES	73
• Unhealthy eating patterns are more common during pandemic	73
• In USA lockdowns added 2 pounds per month	73
• Admissions for eating disorders double in pandemic	74
○ Consistent trends	74
○ A treatment bottleneck	75
• COVID causes spike in attempted suicide in teen girls	75
○ Study synopsis and perspective	75
○ Time of action is now	76
CHAPTER 7: CORONAVIRUS ANXIETY - COPING WITH STRESS, FEAR, AND WORRY	77
• The psychology of coronavirus fear and what you can do about it	77
• Stay connected—even when physically isolated	77
• Focus on the things you can control	78

- **Emotions are contagious, so be wise about who you turn to for support** 78
- **Help others (it will make you feel better)** 78
 - **Reach out to others in need** 79
 - **Donate to food banks** 79
 - **Be a calming influence** 79
 - **Be kind to others** 79

CHAPTER 8: HANDLING STRESS BECAUSE OF COVID IN FAMILIES AND MARRIAGES 80

- **The crisis** 80
- **The support** 81
 - **Recognize that you are in crisis mode** 81
 - **Support each other's self-care** 81
 - **Turn to God and godly community** 81
 - **Stay connected with each other afterward** 81
 - **Continue strengthening and evaluating your marriage** 81
 - **Make time for fun!** 82
- **COVID quarantine: grow closer to your spouse** 82
 - **Start with the Word** 82
 - **Make a plan** 83
 - **Hearing the other person's heart** 83
 - **Balance the load** 84
 - **Grieve change and loss** 84
 - **How healthy is the conflict in your marriage?** 85
 - **Grow closer to your spouse** 85
 - **Grow closer to God** 86
- **Three keys to navigating trauma, grief, and loss from COVID in your church** 86
 - **To start, we've lost our ability to physically congregate** 87
 - **We've also lost our previous life rhythms** 87
 - **And because we're grappling with loss, we're all in grief** 87

• Three points of consideration:	88
○ As Christians, we need, now more than ever, a nuanced redemption narrative	88
○ As Christians, we cannot bypass all the other stages of grief and skip straight to meaning-making	89
○ As Christians, let's reach out and accompany each other in our journey of grief	89
Annexure A – A history of loss	91
Annexure B – Typical feelings and reactions during the grieving process	92
Annexure C – Grief characteristics and symptoms in children	93
Annexure D – Possible signs of complicated grief	97
Annexure E – Unique features of a child's grief	98
Bibliography	99
